

Bring home your company discount.

Your organization's Staples® program allows you to take advantage of company discounts on personal purchases. Enjoy discounts on office products for your home, coffee, snacks, technology, furniture, cleaning supplies and more.

Order directly from StaplesAdvantage.com with your personal credit card, and your supplies will ship free via UPS® Ground to the address you indicate when registering. UPS Ground is often the next business day through Staples.

[To register for your own StaplesAdvantage.com account on this program, click here.](#)
