Physical disability

Are you approved for a state placard for accessible parking from the state the car is registered in?

- **Yes**
  - Related to disability
  - Other disability
  - Accommodations process with DS

- **No**
  - Do you have the physical state placard?
    - **Yes**
      - This is the highest parking support, and allows you to park almost anywhere on campus. Parking will give more info when you register your car.
    - **No**
      - Request a placard via the state your car is registered in. See “Do you have the physical state placard?”

- **Not Yet**
  - Send DS confirmation of your placard approval, and DS can connect with Parking Office for a temporary approval
