Volunteer Hub Instructions

You can use the Hub to send messages to more than one classmate!
Using the boxes on the left of the classmates table, you can select which classmates you want to receive your message. If you select more than one classmate, your email will be sent as a blind carbon copy so your classmates will not know who else is receiving the message. You can also use the box in the top row to select all of your classmates. (If you select all, a message will appear at the top of the screen.)

Once you check the box next to at least one classmate, you will see icons above the classmate table that provide different options.
- **Red Checklist**: Add a contact note.
- **Yellow Envelope**: Write a customizable email.
- **Green A**: Edit and send a prepared “Ask” email.
- **Blue Happy Face**: Edit and send a prepared “Thank you” email.

Emails sent through the Hub will come from “mhc-volunteer@mtholyoke.edu” as the sender. Replies to emails sent through the Hub will automatically go to your preferred email address.

You can use the search bar to easily filter your classmate table.

Filter Options:
- **“NOAF”**: Displays classmates who have not made a MHF gift yet this fiscal year (No Annual Fund).
- **“LYBUNT”**: Displays classmates who made a Mount Holyoke Fund gift in the previous fiscal year, but have not yet made a MHF gift yet this fiscal year (e.g. in FY23, the LYBUNT filter will show classmates who last made a gift during FY22).
- **“SYBUNT”**: Displays classmates who last made a Mount Holyoke Fund gift before the previous fiscal year, but have not yet made a MHF gift this fiscal year (e.g. in FY23, the SYBUNT filter will show classmates who last made a gift between FY21 and FY17).
- **“Never”**: Displays classmates who have never made a gift to Mount Holyoke, inside or outside of the MHF.
- **“Agent”**: Displays any MHF volunteers in your list of classmates.
