The Strategic Planning Committee met with the chairs of the four newly formed Presidential Task Forces:

- New Markets: Janice Hudgings
- Academic Core: Darren Hamilton
- Admission and Retention: Amy Martin

The group had a wide-ranging and invigorating discussion of the charge and scope of each Task Force, as well as possible approaches to their work.

The SPC and the full Task Forces will meet together on May 19 for further discussion. Chairs were encouraged to convene a meeting of their Task Forces in the meantime.
