

MOUNT HOLYOKE

Five College Permission Form

For Mount Holyoke College students to obtain permission to enroll in a course at one of the other colleges,
if not requesting permission from the instructor via email.

During the **Add/Drop Registration** periods in January and September, instructor permission is needed for **all** Five College courses. During the **Pre-Registration** periods in April and November, not all courses need permission; instructor permission is **only needed** when the **course description** indicates that **the course requires the instructor's consent**.

Return the signed form to the Office of the Registrar. If your instructor has given you **permission via email**, forward the permission email to registrar@mtholyoke.edu. The paper form is not needed if emailed permission has been given.

To complete the process, you must also request the Five College course(s) through MyMountHolyoke.
